

# AuthorAID Small Grants 2013 - Travel

## 1. Welcome!

Researchers in developing countries often have difficulty publishing and otherwise communicating their work. To help address this challenge, the AuthorAID project of the International Network for the Availability of Scientific Publications (INASP) provides support to researchers through mentoring, networking, freely available resources, and research-writing workshops.

AuthorAID also provides grants. One of these grants is the travel grant, which is for researchers to present their work at international conferences.

This is the application form to apply for a travel grant under the AuthorAID Small Grants scheme.

Two researchers from eligible countries will receive this grant, following a competitive selection process. Each of the two successful grant recipients will receive USD (US Dollar) 1500 to present their research work at an international conference.

The application deadline is March 14, 2013 (10 PM GMT). We intend to notify the grant recipients sometime between March 27 and 29, 2013. Please keep this in mind when you apply. That is, if you are going to depend entirely on this travel grant to decide whether to present at a conference, you might be able to make preparations only after we announce who the grant recipients are. Following that, transferring money to the recipients will take 2 or 3 weeks.

## 2. About This Application

This application form consists of several pages. The first few pages have information on the grant and eligibility. The remaining pages have questions.

Please read everything on this form carefully, and follow the instructions closely. Give yourself enough time to complete the form.

Please respond to all questions in English.

Please be ready to complete the form in a single session, as partial applications cannot be saved. So your answers are ready, we suggest that beforehand you read the PDF copy of the application form (provided on the AuthorAID website) and draft your responses. If you have any questions after reading the PDF copy, write to [authoraid@inasp.info](mailto:authoraid@inasp.info).

Please do not use the "Back" and "Forward" buttons of your browser while you work on this form. Use only the "Previous" and "Next" buttons at the bottom of every page.

All the best!
